CUSHIONS

FOAMplus® foam padding is the ideal solution for fragile or breakable products because it protectively adapts to their contours.

TUBES

The foam padding FOAMplus® tubes can be manufactured quickly and optimally wrap around the packaged goods.

STOROPACK - PERFECT PROTECTIVE PACKAGING

Wherever in the world you send your products, we want them to be well protected while in transit.

OPTIMAL PROTECTION WITH FOAM PADDING

Our FOAMplus® packaging system protects your products using true-to-contour padding made of shock-absorbing polyurethane. Foam padding from Storopack is environmentally friendly as it is lightweight, reduces transport costs and can be re-used for the same products.
